

AIRPORT OPERATIONS AREA (AOA) DRIVER TRAINING INFORMATION

Drivers Information:

Name:	DOB:
Agency Tenant/Organization/Employer:	
Position:	Phone:

Current Drivers License:

State:	Operators License:	Expires:
Reason to Operate Vehicle on AOA:		

I certify that I have been through the Movement / Non-Movement Area Driver Training presented by the Williamsport Regional Airport and shall comply with all FAA rules concerning driving on the Airport Operations Area (AOA).

Any individual operating ground vehicles in the movement area who fails to comply with the rules and safe practices within any (18) month period will experience the following consequences:

First Offense - The violator must attend remedial training conducted by Airport staff.

Second Offence - The violator will have airside driving privileges suspended for a period specified by the Airport Director not to exceed 90 days.

Third Offence - The violator's airside driving privileges may be further suspended or permanently revoked. To be reinstated the violator will have to demonstrate their knowledge of airside driving to the satisfaction of the Airport Director.
